RETURN ITEM(S) BY POST FOR FREE WITHIN AUSTRALIA

We offer free returns by post for all online orders delivered within Australia.

To ensure your parcel is returned back to us safely and securely, you can choose from two convenient options:

- **Drop off at a ParcelPoint location** - There are hundreds of ParcelPoint locations across Australia, including supermarkets, newsagents, pharmacies and convenience stores, many of which have extended opening hours and are open 7 days a week.
- **Returns by Australia Post** - Drop off at a post office (for a more efficient tracking process) or drop it into a nearby post box.

1. Complete the Returns Forms overleaf (alternatively you can print a copy from our website)
2. Package your item(s) securely into the original parcel packaging or suitable new packaging. Please ensure you include your order receipt (original or copy).
3. Visit <http://parcelpoint.com.au/marcs/return> and follow the prompts on the screen:
 - Enter your order number (which can be found in the 'My Account' section of the website, or on your order confirmation email).
 - Select the reason for the return.
 - Click on the relevant tab to send your parcel back to us via either Australia Post or a participating ParcelPoint store.
4. Download and print off the returns label and attach it to your parcel. Please ensure you cover (or remove) any old labels. Whichever method you choose you will receive an email confirmation with your tracking information. Once we have received your returned item(s) we will send you an email as confirmation.

TRACKING YOUR RETURNS PARCEL

If you dropped your parcel off at a ParcelPoint location, visit <http://parcelpoint.com.au/track> and enter your 'ParcelPoint Reference' number, which is located in the 'Proof of Lodgement' confirmation email.

If you elected to return your parcel back to us by Australia Post visit <http://auspost.com.au/track/track.html> and enter your parcel tracking number, this will have been emailed to you by Australia Post upon lodging your return over the counter at Australia Post.

RETURN ITEM(S) BY POST FROM OUTSIDE AUSTRALIA

We currently do not offer complimentary returns on orders delivered outside of Australia. International orders must be returned by post. We regret that international purchases are unable to be returned to one of our stores.

1. Print and fill out the Online Returns Form from the returns and exchanges section of the website.
2. Pack your items into the original packaging (or new packaging) and ensure you include the original receipt and this completed returns form.
3. Post the parcel back to the following address: **Marc's Online c/o Williams Fashion Logistics, 69 – 73 Gow Street, Padstow NSW 2211**

Please Note: To ensure the safe return of your parcel back to us we recommend you use a trackable postal service as proof of return. Once we have received your item(s) we will send you a confirmation by email. If you have requested a refund please allow up to 2 weeks from the confirmation date for your account to be credited. Refunds will be processed in \$AUD.
